The Clerk seeks advice whether \$73,355.99 should be credited against the restitution amount ordered in the sum of \$1,991,517.06 because the restitution amount in the presentence report was \$2,064,873.05. That question was addressed at sentencing and counsel and I agreed that \$1,991,517.06 was the proper amount to set as restitution because the government then either had or soon would have control of \$73,355.99. So, no credit should be given for that sum on the restitution amount of \$1,991,517.06 , but the Clerk shall, if it has not already done so, receive the \$73,355.99 and distribute it to the victim.

IT IS SO ORDERED:

DATED this 7th day of September, 2018.

Senior United States District Judge
